

# The Gateway Program

at Lakeland Community College

**The Gateway Program is geared to the needs of male students 25 years or older. The program helps both current students and those who have not yet enrolled.**

If you are thinking about taking classes at Lakeland, the Gateway Program can help you:	Once you enroll at Lakeland, or if you are currently a student, the Gateway Program provides:
Decide if college is the right decision at this point in your life.	A central point to help you with any questions or issues.
Connect your career goals to educational possibilities.	Ongoing, individualized services (if needed).
Learn more about what Lakeland has to offer.	Exclusive academic success workshops.
Navigate the enrollment/financial aid process.	Referrals to both college and external resources.
Prepare for college math.	Action plans if you encounter any difficulties.

**Gateway is offered through the Men's Resource Center.**
