## Lakeland TLC Alumni Association

Once a TLC family, always a TLC family.  
Stay connected with us!

**THANK YOU** for being a part of our family at Lakeland's Teaching and Learning Center (better known to you as TLC). Being a part of your family's growth over the years means so much to us. It's always bittersweet when the time comes to say goodbye to our graduating classes, but we know they'll be ready to move on to the next stage of life, to bigger and better things.

One of our favorite surprises comes when TLC alumni and families visit us down the road. Sometimes our former students even drive themselves, and still others visit us again as Lakeland students in the early childhood education program. For us, these happy visits further reinforce the special bonds the children and families had with their TLC years. It is our sincere hope that all TLC alumni and families stay in touch.

## Your donation can help families in need

It's no secret that raising a family is a huge challenge. The TLC has two different funds set up to help lend assistance to families facing financial challenges by subsidizing TLC tuition.

### The Jane Booth TLC Scholarship Endowment Fund

This fund was created in 2013 with initial gifts from Jane Booth who retired in 2013 as the director of the TLC program. The purpose of this fund is to provide assistance to prospective TLC families who are unable to pay the full cost of their child's enrollment in the TLC.

### The TLC Immediate Financial Need Fund

Also created in 2013 by Jane Booth, this fund can provide assistance to TLC parents who are unable to pay the full cost of their child's (or children's) enrollment in TLC due to an unforeseen and/or urgent financial situation.

*Awards are based on decisions by The TLC Scholarship Committee and all awards are applied directly to recipients' TLC tuition; recipients will not receive cash rewards.*
