PLEASE NOTE: ALL CORRESPONDENCE WILL BE SENT VIA LAKELAND COMMUNITY COLLEGE STUDENT EMAIL.

Applicants to the Surgical Technology (ST) program will fall in one of three options. The checklist on Page 2 outlines all requirements for these options.

- (1) **High School Option:** This option is for current high school seniors and high school graduates who apply to the program within two years of high school graduation. Students must have all of the following: A composite score on the American College Test (ACT) of 21 or higher or a combined Scholastic Aptitude Test (SAT) score of 940 or higher; overall HS GPA 2.5 or better. Applicants who are not yet 18 years of age should contact the ST program director for information regarding age requirements and clinical education.
- (2) **College Option:** student does not qualify under the High School Option, or has some college experience, either at LCC or other colleges. Course prerequisites being transferred to LCC must be approved by the college as equivalent courses in the transcript review process. A Test of Essential Academic Skills (TEAS) score of 55% or above is required in place of the ACT or SAT (maximum 2 attempts).
- (3) **Advanced Education Option:** student has completed an Associate of Applied Science in a health science, an Associate of Science, or a bachelor's degree before application. No preadmission testing required (ACT, SAT or TEAS).

Requirements and processes applying to all applicants:

- (1) Complete a Lakeland Community College application. (lakelandcc.edu/apply)
- (2) Meet with a Lakeland Community College counselor to review program prerequisites and requirements. (440.525.7200)
- (3) Complete the "Mandatory Health Information Session" on Blackboard. (Log in to myLakeland to access)
- (4) Recommended: Attend an online ST Program Information Session and meet with the ST program director (440.525.7016)
- (5) Submit an official copy of high school transcript, including the graduation date, or a copy of the General Educational Development (GED) transcript to the Lakeland Student Service Center before applying to the ST Program.
- (6) **Meet one of the following** requirements in order to register for BIOL 2210:
 - a. High school biology within the last five years and high school chemistry.
 - b. High school biology within the last five years and CHEM 1100 Elementary Chemistry
 - c. BIOL 1200 Fundamentals of Biology for the Health Technologies
- (7) Meet math placement test requirements to place into MATH 1330 "Statistics for the Health Sciences" or higher, or complete MATH 0850 "Beginning Algebra" with a "C" grade or better.
- (8) Complete the following courses with a "C" grade or better, and with a combined GPA of 2.5 or higher for these courses:
 - a. HLTH 1215 "Medical Terminology for Health Professions"
 - b. BIOL 2210 "Anatomy and Physiology I"
- (9) Equivalent courses to those listed above, completed at other regionally accredited colleges, are acceptable once approved for transfer.
- (10) Have a minimum Lakeland Community College cumulative GPA of 2.0.
- (11) As long as all other requirements have been met, students enrolled in any of the above noted course prerequisites (#7 and #8 above) at the time of application may be offered conditional acceptance, pending successful completion of these courses before beginning the ST program coursework, and with the required grade(s) to meet GPA minimums.
- (12) Meet with ST program director for applicant interview and application signature.
- (13) Submit this completed application form to the Lakeland Student Service Center (Room A-1003).
- (14) Applications may be submitted at any time. Students will be accepted on a space-available basis. A waiting list is maintained once maximum class size is met. Applicants will be accepted in one of two ways: (a) full acceptance – applicant has completed all requirements, including prerequisite courses (see #7 and #8 above); or (b) conditional acceptance – pending completion of prerequisite courses with GPA requirements. Students who receive a letter of conditional acceptance will receive formal notification of full acceptance once completed coursework has been reviewed.

Program director signature:			

Note: Students interested in the ST program may contact the ST program director at any time with questions about the program or career, in order to determine if this career path is right for you.

Students accepted to the ST program must comply with the following:

- 1) Attend the ST orientation before the start of ST program classes;
- 2) Successfully take ST curriculum courses in the prescribed sequence;
- 3) Pass all math, science and surgical technology courses with a "C" or better; and
- 4) Maintain a minimum GPA of 2.0 at all times while in the program.

Important Notice:

Please be aware that all students enrolled in a nursing and/or any allied health program/certificate must complete a criminal background check and drug screening. Students with a criminal record or failed drug screen may be ineligible to participate in a clinical course/rotation/practicum, receive a professional licensure/registration, or obtain employment in the health field. Health insurance and vaccinations are required.

I have reviewed the information in the application.
