

# Lakeland Health Clinic

Operated by

Lake Health

IS NOW PART OF

University Hospitals

Lakeland Community College has partnered with Lake Health, now part of University Hospitals, to offer a health clinic on campus.

**The clinic is open to the following Lakeland employees:**

- Continuing status full and part-time employees
- Non-continuing status staff accruing benefits
- Adjuncts in those semesters when they have an active teaching assignment
- Part-time counselors, librarians and tutors during periods of active employment

**The clinic offers:**

- Convenient, walk-in appointments at no cost to employees
- Services of a Lake Health nurse practitioner

**The Lakeland Health Clinic provides basic health care services and treatment for minor illnesses, such as:**

- Minor burns, skin rashes or simple lacerations
- Ear infections
- Sore throats
- Strains and sprains
- Minor illnesses
- Minor allergic reactions
- Bronchitis
- Cold and flu symptoms
- Pink eye
- Respiratory infection
- Urinary tract infection
- Flu shots
- COVID-19 vaccines by appointment

**Lakeland Community College**

**Health Technologies Building • Room H-332**

**440.375.8970**

**Mondays, Tuesdays and Thursdays: 7 a.m. to 1 p.m.**

**The Clinic will be closed any time the College is officially closed.**

Note: Necessary tests or follow-up visits conducted at other facilities are subject to normal copays and deductibles.
