

Lakeland Community College TLC SUMMER STEAM CAMPS

For children entering grades K-2 as of August 2025

JUNE

2-6 Amazing Astronomers

Reach for the stars! Your child will blast off while exploring space through hands-on experiments and expressive art!

9-13 Eco Innovators

This week is all about sustainability, conservation and environmentalism. Nature walks, experiments, projects and teamwork will guide us as we explore human impact on our environment and ways to build a sustainable future.

16-20 STEAM in the Community (4-day week)

Your child will explore the many occupations who use STEAM every day. Daily visitors from our very own community will help us to utilize STEAM to create, experiment and enjoy!

(No camp on June 19th, as the college is closed in observance of Juneteenth)

23-27 Boom, Splat, Fizz!

What's that noise? It's chemistry! Engaging activities will foster curiosity and build excitement as we explore properties of matter, reactions, chemical and physical changes and the role of chemistry in our everyday lives.

\$265/Week

Payment is due upon registration.
Register for one week or all four! 9am-3pm.
Maximum capacity of 24 children/week.
For more information, call 440.525.7500

CAMP!

2025 Summer STEAM Camp Pre-Registration Form

Child's Name		Today's Date	
Birth Date	Age	Entering Grade (as of August 2025)	Gender
