

50 Acts of Service

Service Project Title	Shoe Collection for 911 Dog Rescue Inc./Amy's Adoptables
Date(s)	Starting March 22, until May 21, 2018
Brief Description	WoofTrax Shoes for Shelters & Rescues shoe drive!
Number of people needed	As many people donating as many shoes as possible!
Full Description	<p>The unwanted shoes gathering dust in your closet can help raise up to \$2,000 or more for 911 Dog Rescue Inc. in Eastlake, Ohio. This (60 day) shoe collection drive does not require anyone asking for money. Donate all those unwanted shoes sitting in a closet. Encourage other people to donate their unwanted shoes to help our local animal rescue organization! Any type of shoe is accepted. The shoes are picked up and sent to support micro-enterprises in developing countries like Haiti where shoes are urgently needed. 600 million shoes end up in landfills in the US each year. Help us clean up the environment, while turning your gently worn used and new shoes into desperately needed funds for your local rescue shelter.</p>
Location	Collection Site: Lakeland Community College - A Building Entrance; Bookstore hallway; H building entrance 1 st floor; Y building entrance. (more collection boxes TBD soon)
