

Advanced English as a Second Language (ESL) Class

*Improve your English so you can
start going to college!*

If English is your second language and you speak/read above the beginner level, but not enough for the college level, we have a class to help you improve your English!

- It's for anyone who needs to improve English-language skills to prepare for college-level classes, especially those requiring writing.
- The ESL coursework will help you learn proper sentence, paragraph and essay structure; principles of grammar and mechanics; and revising and editing techniques.
- The writing assignments will include paragraphs and short essays.
- You'll practice listening to lectures in English and taking notes.
- You'll develop reading comprehension skills, vocabulary, speaking and pronunciation skills.

The cost for the course is \$413.40 for Lake County residents. Additional fees may apply. A limited amount of grant funding is available from The Lakeland Foundation in the amount of \$300 toward the course cost for each of the first six students who register.
