# ***Quickstart to College?***

***Prepare for college success and earn college credit at the same time!***

If you are enrolled, or plan to enroll at Lakeland Community College for the fall semester, the Men's and Women's Centers are offering a college prep program that will:

- Refresh your math and English skills to help you get higher scores on the Placement Test (if you wish to retake it).
- Help you design an educational pathway.
- Allow you to earn one credit hour toward your degree.

***Students who successfully complete the program will earn credit for the First Year Experience course (FYEX 1000).***

We are currently enrolling a limited number of students. Tuition and book costs are waived for all students. Each student will have access to all student services at Lakeland.

## ***Quickstart to College begins June 27!***

***To be considered for this program,
