

FEMM

Female Empowerment through Merging Minds

Do you want to be in charge of your own life? Do you want to be the kind of person who has things go her way? Through meeting with local professional women, Lakeland students will learn to be empowered leaders; *especially the leaders of their own lives!*

Join us for four topics of conversation and discussion, hearing directly from women who will share their inspirational stories. This unique opportunity offers learning through dialogue and idea exchange, which is often considered the best way that women learn. Each program will end with an optional lunch and opportunities for networking!

Four Fridays:

Sept. 14 & 28 • Oct. 19 • Nov. 9

10:30 a.m. - Noon followed by free optional lunch

Registration required by Friday, Sept. 7, 2018.

Participants who attend all four meetings will receive a **FREE TICKET** to the United Way Women's Leadership Council Winterfest Fundraiser.
