

Lakeland Health Clinic

Operated by

University Hospitals

Lakeland Community College has partnered with University Hospitals, to offer a health clinic on campus.

The clinic is open to the following:

- Currently enrolled students 18 years of age or older (excluding CCP students)
- Continuing status full and part-time employees
- Non-continuing status staff accruing benefits
- Adjuncts in those semesters when they have an active teaching assignment
- Part-time counselors, librarians and tutors during periods of active employment

The clinic offers:

- Convenient, walk-in appointments at no cost to eligible employees and students
- Services of a University Hospitals nurse practitioner

The Lakeland Health Clinic provides basic health care services and treatment for minor illnesses, such as:

- Minor burns, skin rashes or simple lacerations
- Ear infections
- Sore throats
- Strains and sprains
- Minor illnesses
- Minor allergic reactions
- Bronchitis
- Cold and flu symptoms
- Pink eye
- Respiratory infection
- Urinary tract infection

Lakeland Community College

Health Technologies Building • Room H-332

440.375.8970

Mondays, Tuesdays and Thursdays: 7 a.m. to 1 p.m.

The Clinic will be closed any time the College is officially closed.

Note: Necessary tests or follow-up visits conducted at other facilities are subject to normal copays and deductibles.
