

Satisfactory/Unsatisfactory grade option now available until April 24

We realize that some students are facing personal, family and financial challenges as a result of this unprecedented pandemic. Therefore, we are offering more flexibility for students to choose to take some courses on a satisfactory/unsatisfactory (S/U) basis. A grade of "S" or "U" does not become part of the calculation of a student's grade point average ("gpa"). Students are highly encouraged to connect with a counselor to determine if taking a course as an S/U is a good option for them. To schedule an appointment with a counselor via telephone or web conference, call 440.525.7200.

For the Spring Semester 2020 only:

Students may choose to take some courses on a satisfactory/unsatisfactory (S/U) basis. A maximum of **12** satisfactory/unsatisfactory semester credit hours may be applied toward an associate degree. (The current policy is a maximum of 10 credits.)

Credit(s) will be granted (recorded as an "S" on the student's transcript) for courses taken with this option if a "C" grade or better was earned

The request to take a course on a satisfactory/unsatisfactory (S/U) basis must be submitted to the Student Service Center **by the end of the 14th week (April 24, 2020) of the semester.** (The current policy is by the end of the fourth week of the semester.)

This option may not be changed to a letter grade.

Exceptions:

1. Some restricted/selective admission programs require traditional letter grades for their core course requirements.
2. International students are not eligible to utilize the Satisfactory/Unsatisfactory option.
3. CCP students may not be eligible to utilize the Satisfactory/Unsatisfactory option.
