

# What is College Credit Plus?

College Credit Plus is Ohio's dual enrollment program where students earn both high school and college credit at the same time

- Students may apply to any public or participating private college
- Students may apply and take courses at multiple colleges

# Who's Eligible?

- Students in grades 7-12
- Ohio residents
- Students who meet academic eligibility standards (*determined by the State*)
- Students who meet the admissions requirements for the college/university (*may be different for each college*)
- Students who are “College Ready”

# What does it mean to be “College-Ready”?

## More than just academically ready

- Emotional and social transition
- Meeting college expectations
- Time management and organizational skills
- Some college classes have content that is oriented toward a mature or adult student. College instructors will not modify the course content for CCP students.
  - Ohio requires new CCP students & parents to complete a Mature Content Permission Slip

# How is College Different from High School?

	High School	College
Tests	Weekly or end of chapter	Fewer in number, but cover more material
Study Time	1 to 3 hours per day	2-3 hours per credit hours
Graded Work	Numerous quizzes, tests, and homework	Fewer tests & assignments, but worth more points
Learning	Information provided mostly in-class. Out-of-class research is minimal	More independent thinking, longer writing assignments, & out-of-class research
Responsibility	Daily verbal reminders in class	Email reminders, checking courses online daily
Attendance & Class Participation	Required, parents are notified if a student is absent	Attendance policy is determined by instructor, but no one is notified if a student is absent
Role of Parents	Parents are involved, working closely with teachers and counselors	The college views the student as an independent decisionmaker

# FERPA

- The “Family Education Rights and Privacy Act” (FERPA)
  - Protects student education records
    - Parents do not have access to student’s academic records
    - Colleges reserve the right to communicate student record information with appropriate high school officials who have an “educational need to know”
    - “Permission to Release Information Form” – students written consent to share information with a third party
      - *This will give parents a limited access to their student’s records*

# Benefits of CCP

- Students can:
  - Earn high school & college credits at the same time
  - Get a “head start” on career plans
  - Start & potentially complete a degree or certificate program
  - Understand the expectations of college life
  - Save tuition & textbook costs
  - Have more class opportunities & a flexible schedule

# Intent to Participate Form

- Students must complete the Intent to Participate form and submit it to their high school by April 1, 2024
- This is the only way CCP students can receive state funding
- Not a binding contract & students can decide not to participate even if they sign it.
- This form is separate than the college application
- Some expenses are not covered (Ex: parking, transportation, calculators, optional materials, etc.)
- On the Intent to Participate form, students indicate a tentative plan to use Option A or Option B for payment of the College Credit Plus courses

Option A	Option B
<ul style="list-style-type: none"><li>▪ The family/student will “self pay” for college course at the standard rate of tuition, fees, and textbooks</li><li>▪ Students can choose to earn college credit and high school credit OR only college credit (students must inform the high school of their choice of credit for courses)</li></ul>	<ul style="list-style-type: none"><li>▪ “Default” or standard option for CCP</li><li>▪ All college course tuition, fees, and textbooks will be paid for by the state of Ohio (supported by the school’s foundation funds and the college’s funds)</li><li>▪ Students will earn college credit and high school credit</li><li>▪ Private colleges may charge students a small fee per credit hour</li></ul>

# How Many Credits Can Students Take?

- Up to 30 credits per academic year, includes high school classes:
  - Calculation:  $30 - (\text{ \_\_\_\_ } \text{ high school units} \times 3) = \text{ \_\_\_\_ }$  (max CCP credits)
  - Example:  $30 - (3 \text{ high school units} \times 3) = \mathbf{21}$  CCP credits
- College classes can range from 1 to 5 credits
- If a student enrolls in more than 30 credits, they can either:
  - Drop the course (during the 100% refund period) or
  - Pay for the entire course (including tuition, fees, books) at the college's standard rates
- Lifetime maximum credits per student is 120

# Where Can Students Take Classes?

At the High School\*

At the College

Online

*\*The option to take courses at the high school is only available if the high school has partnered with a college or university to offer courses at the high school*

# What Courses can Students Take?

  - *These are transferable to public Ohio universities*
  - *See College/University's website for a list of Level I courses*

  - Fulfill high school graduation requirements

  - Part of a major or degree requirement

# Non-Allowable Courses

- Courses with high fees
- Study abroad courses
- Physical education courses
  - *Example: yoga, weight-lifting, etc.*

\*See College/University for other career certificate or pathway options

# Grades & GPA

- CCP grades earned in college courses are the same grades that will appear on the high school transcript
- If a student fails or withdraws from the course, the college transcript and high school transcript will reflect the student's final grade.
- If students do not earn a passing grade or withdraw too late from college courses, the high school may require students/families\* to reimburse the tuition that the district paid
- Grades will be factored into the high school and college GPA
- If a high school uses a weighted grading scale for Advanced Placement or Honors courses in a subject area, CCP courses in the same subject area will be weighted using the same scale
- Students must successfully complete the courses in order to earn the credit
- CCP grades/courses stay on the student's college transcript permanently

*\*If a student is considered "economically disadvantaged", a school may not seek reimbursement*

# CCP Probation & Dismissal

Probation	Dismissal
<ul style="list-style-type: none"><li>▪ A student will be placed on CCP Probation if they earn less than a cumulative 2.0 GPA in CCP courses or withdraws from 2 or more courses in one academic term</li><li>▪ When on CCP Probation, the student may only enroll in one CCP course for one college semester and may not enroll in a college course in the same subject in which they previously earned a D, F, or W grade</li><li>▪ Appeals*: students may submit an appeal to retake a course</li></ul>	<ul style="list-style-type: none"><li>▪ If a student on CCP Probation does not increase their CCP GPA to a 2.0 or above during the probation semester, they will be placed on CCP Dismissal</li><li>▪ While on CCP Dismissal, students may not enroll in any CCP courses</li><li>▪ Appeals*: students may submit an appeal within 5 days of being dismissed, or wait until the end of the CCP Dismissal semester</li></ul>
